MEN'S COLLECTION

THE BIG VISION

The collection is based upon classic iconic American design, translated into a timely manner. Shapes and silhouettes are classic, clean, and refined, while the execution is exuberant, bold, and confident.

A new iconic Isaac Mizrahi New York Men's Collection. Luxurious and confident eyewear for an impressive physique. Trending modern shapes and modish vintage-inspired eyewear to meet the larger stature.

A rich color palette is offered with frame materials in a lavished hand-polished acetate and stainless steel.

Philosophy: Luxurious and confident style for the impressive physique.
